

Dream Academy

Website Redesign Proposal

A complete digital transformation package — custom-designed for Dream Academy Inc.

Prepared by Elevare | April 2025

What This Proposal Includes

A transparent, one-time investment that replaces your outdated website with a professional, conversion-focused digital presence.

Dream Academy's current website scored **31 out of 100** in our comprehensive audit. Critical navigation errors, missing brand identity, and zero conversion optimization are actively costing you potential enrollments.

This proposal offers three flexible packages — from a focused audit to a complete digital overhaul — so you can choose the level of transformation that fits your budget and goals.
